

Sample Policy

GBS Linens offers a Sample Program which allows a customer to order linens to show their end user. Unlike the Display Program where the linens can be out for a month, Samples must be returned within one week.

Sample Policy Guidelines. The following are available for samples at no charge:

- 4 tablecloths – 2 tablecloths and 2 overlays
- 2 chair covers with sashes
- 2 napkins

You are able to enjoy the benefits of this sample policy up to 2 times per month.

If you are looking for more than the above for samples, you may get up to 6 more tablecloths, 8 more chair covers & sashes, and 8 more napkins at Laundry Prices. Any pieces beyond this quantity will be at rental pricing.

Some notes:

- In the event you have a sample for which GBS needs the pieces to fulfill a rental order, GBS reserves the right to contact you and schedule to pick up the linens prior to the expiration of the sample period.
- Due to high demand for specific colors/fabrics during certain seasons, there may be certain products not available for samples.
- During peak periods, GBS does not guarantee the delivery of displays.
- GBS will be happy to deliver your sample order along with your other rental/laundry/purchase orders for the day. Should you not have orders for delivery on that date, we will deliver your sample order on your next scheduled pick up or delivery date for rental/laundry/purchase orders.
